sizel engraving, worth fifty cents, with every part.

The Richmond Times now offers its readers the finest illustrated book ever issued. "Picturesque America," a delineation of the land we live in, by pen and pencil. A genuine steel engraving, worth fifty cents, with every part. This magnificent work was originally published by the Appletons at fifty cents for each of the thirty parts, at which price nearly a quarter of a million complete sets were sold in America and Europe. A genuine steel engraving, worth fifty cents, with every part.

The Times' readers can obtain each part for ten cents and three coupons, which is less than the cost of production. Each and every part contains a steel engraving in the highest style of art, and every page of the book is embellished by a beautiful wood engraving from drawings by the most celebrated American artists. The letter-press is by authors of established reputation, and the work was edited by William Cullen Bryant, the poet. For twenty years "Picturesque America" has been considered the greatest publication of its kind, and has never been equaled.

"Almost as Palatable as Milk"

This is a fact with regard to Scott's Emulsion of Cod Liver Oil, The difference between the oil, in its plain state, is very apparent. In

Scott's Emulsion

you detect no fish-oil taste. As it is a help to digestion there is no after effect except good effect. Keep in mind that Scott's Emulsion is the best promoter of flesh and strength known to science.
